WORLD CUP 2026 KNOCKOUT BRACKET: FLAG EDITION

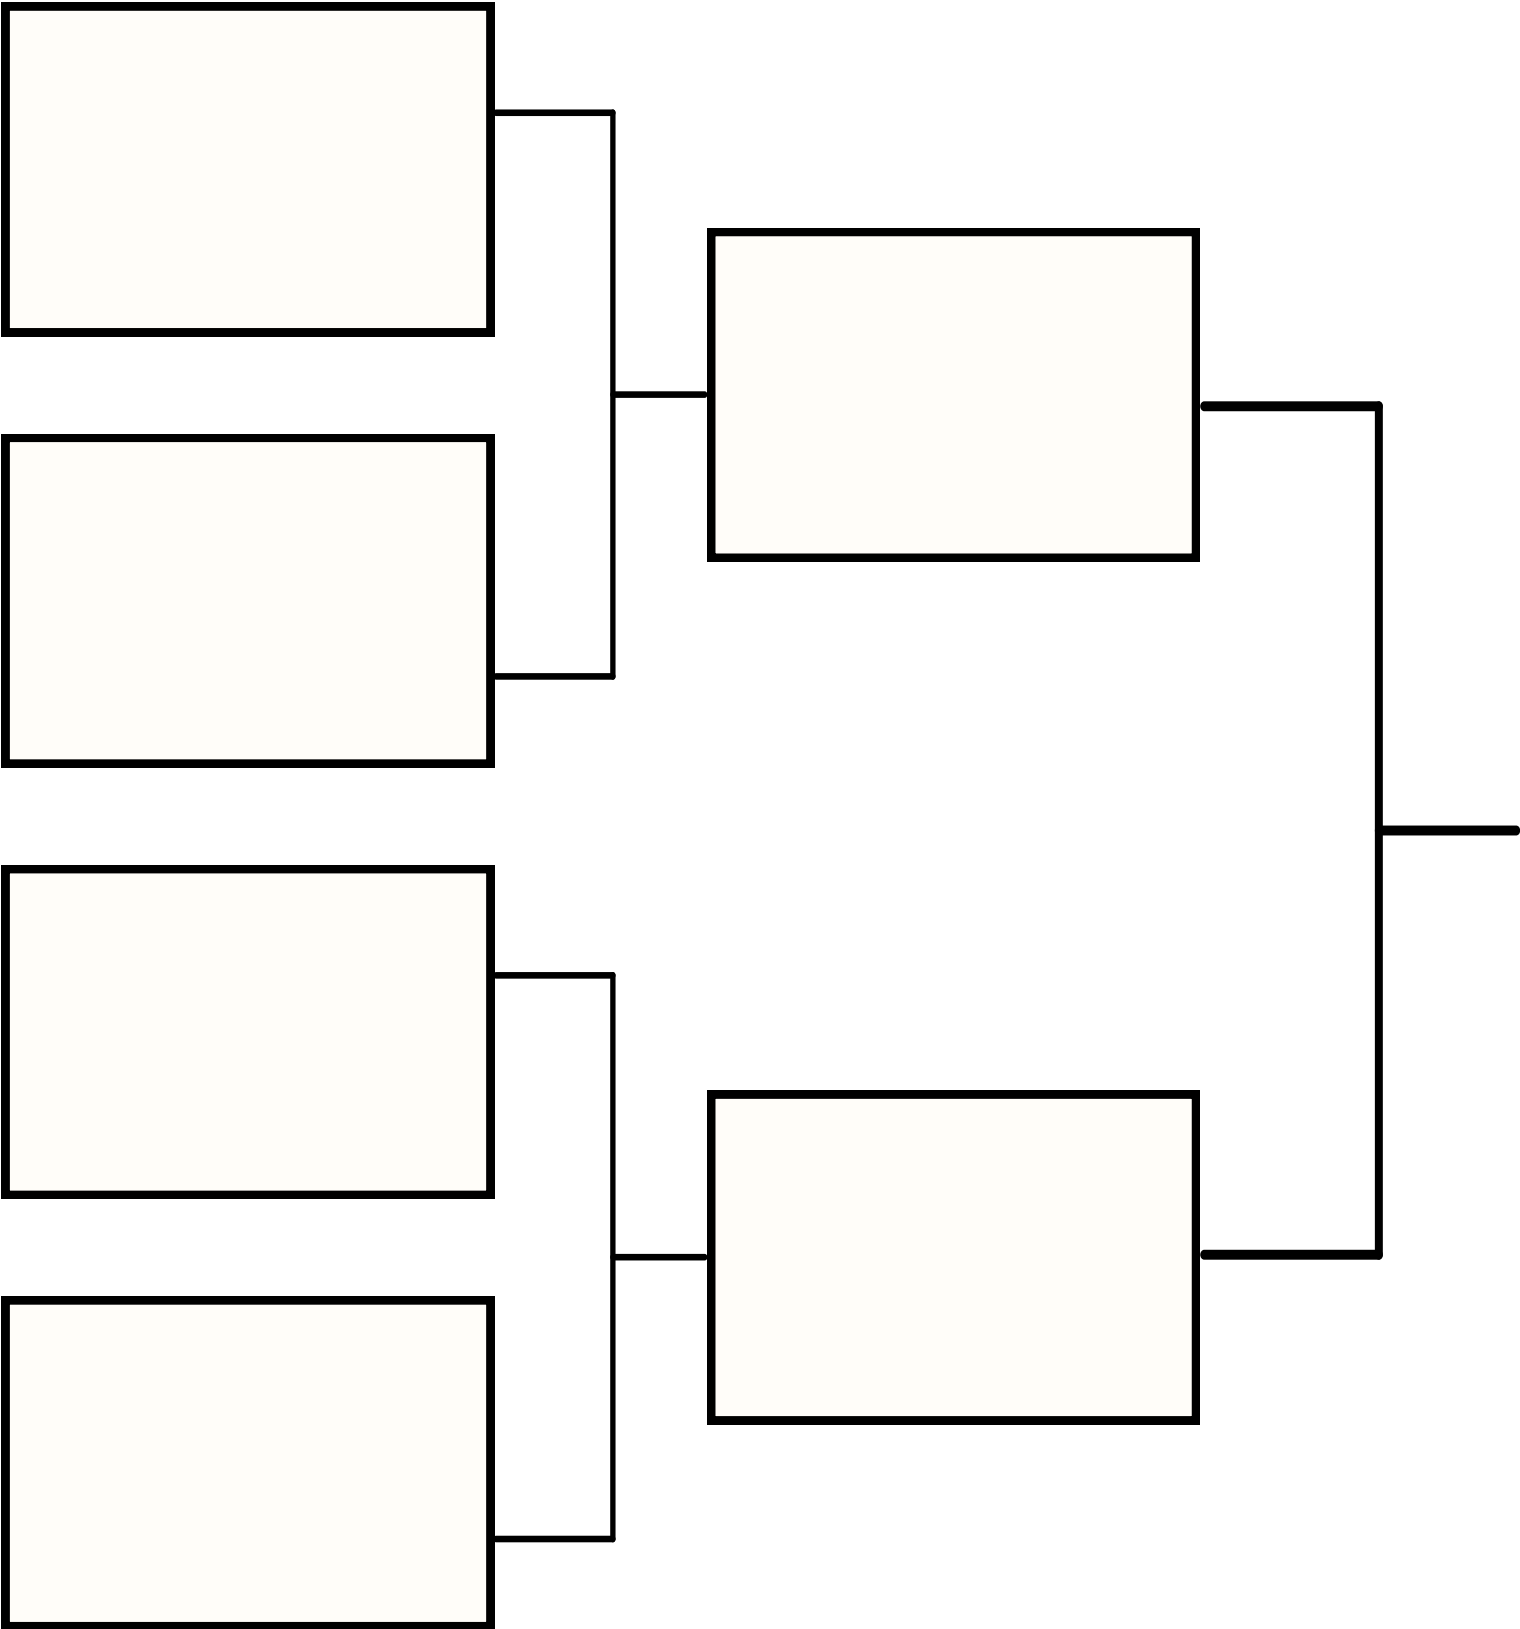

Start filling in the Round of 16 as teams qualify for the knockout stage. Print pages 8-12 and arrange them so they form a single bracket. As each team advances, fill in their flag on the bracket.

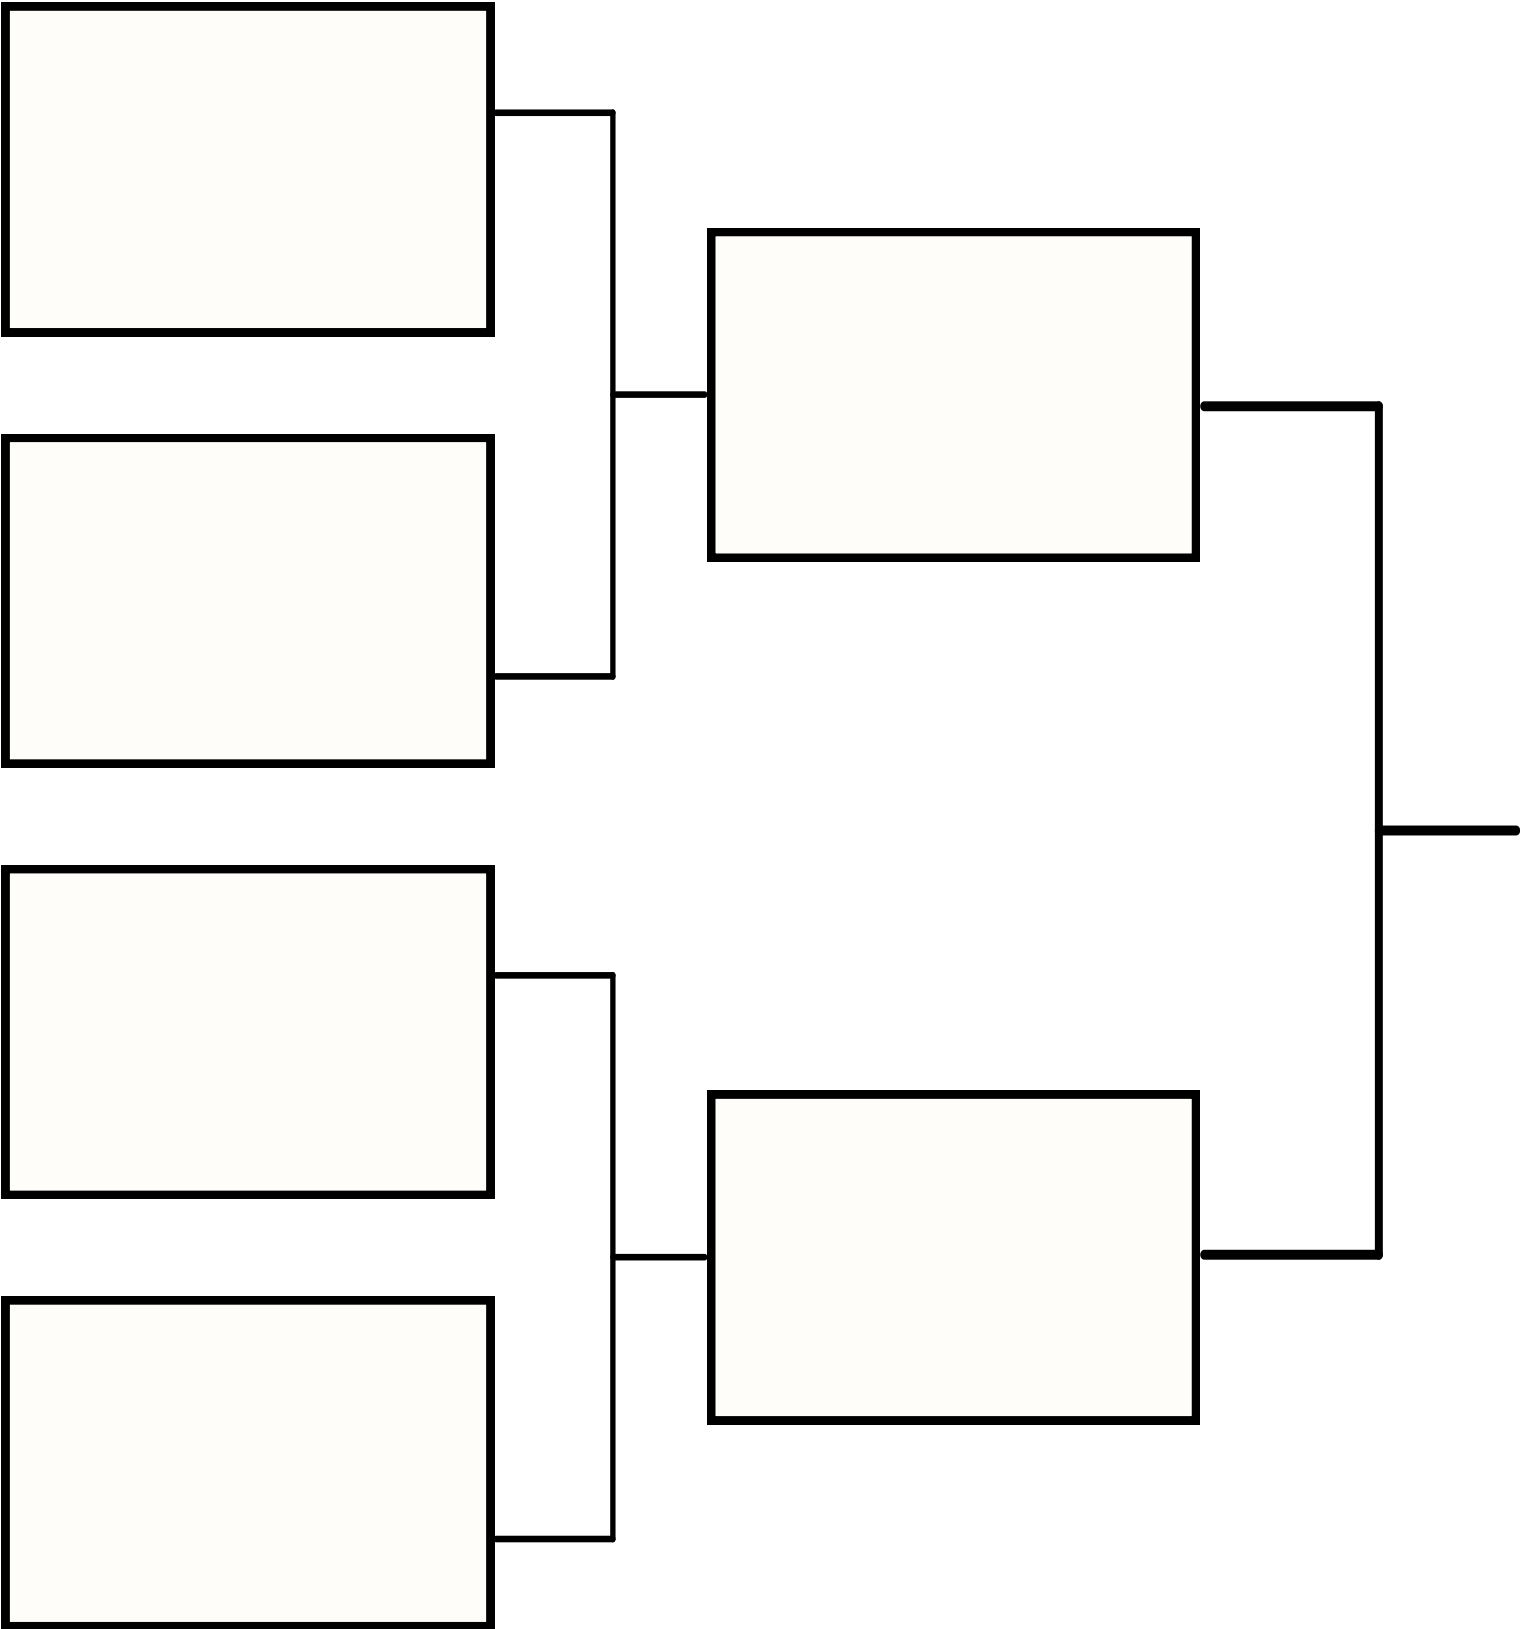

You can:

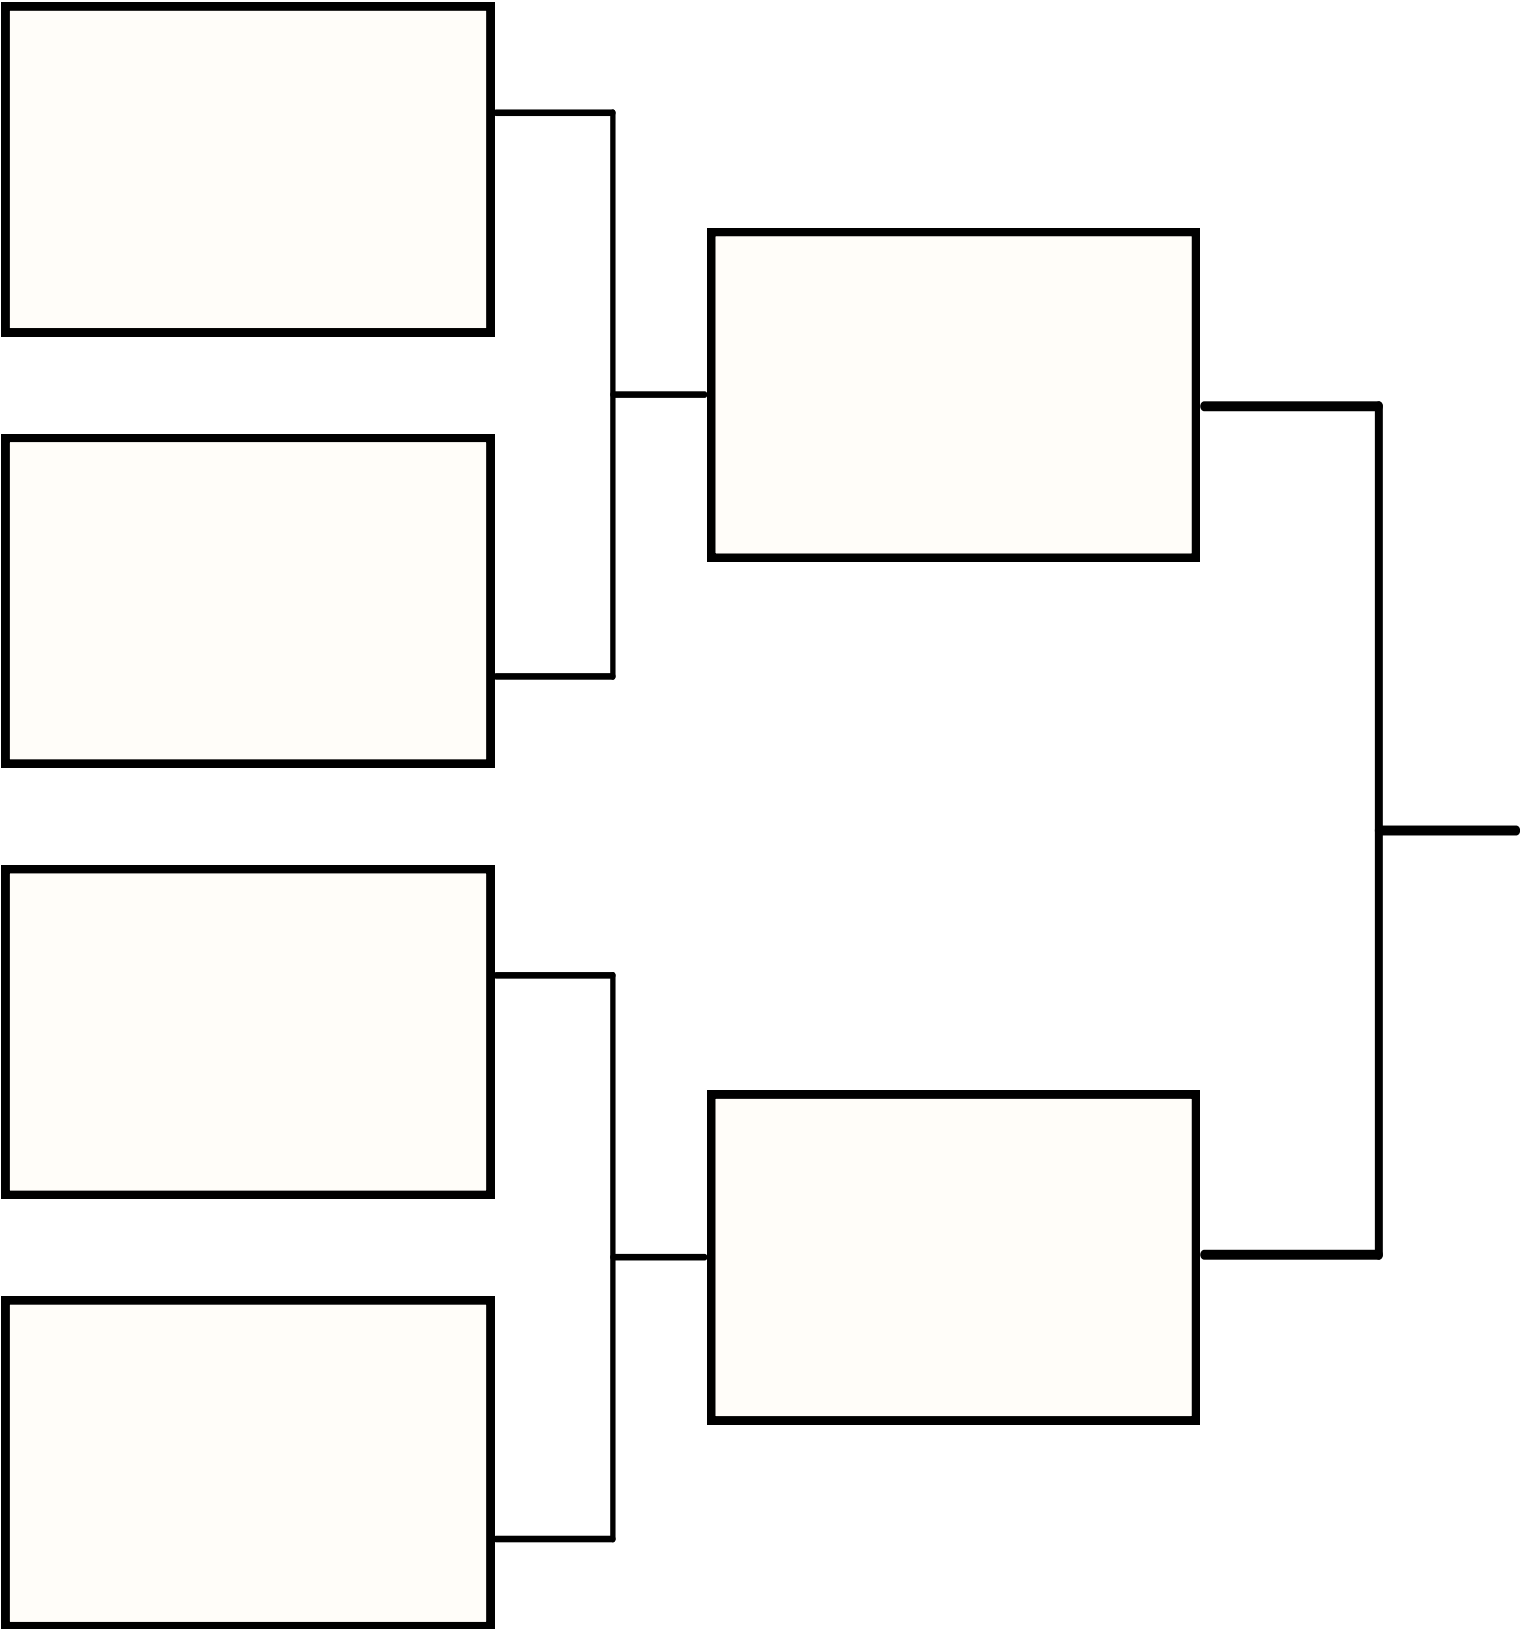

1. Draw and colour the flags directly in the boxes, or
2. Cut out the flags from the first pages and glue or tape them onto the bracket.

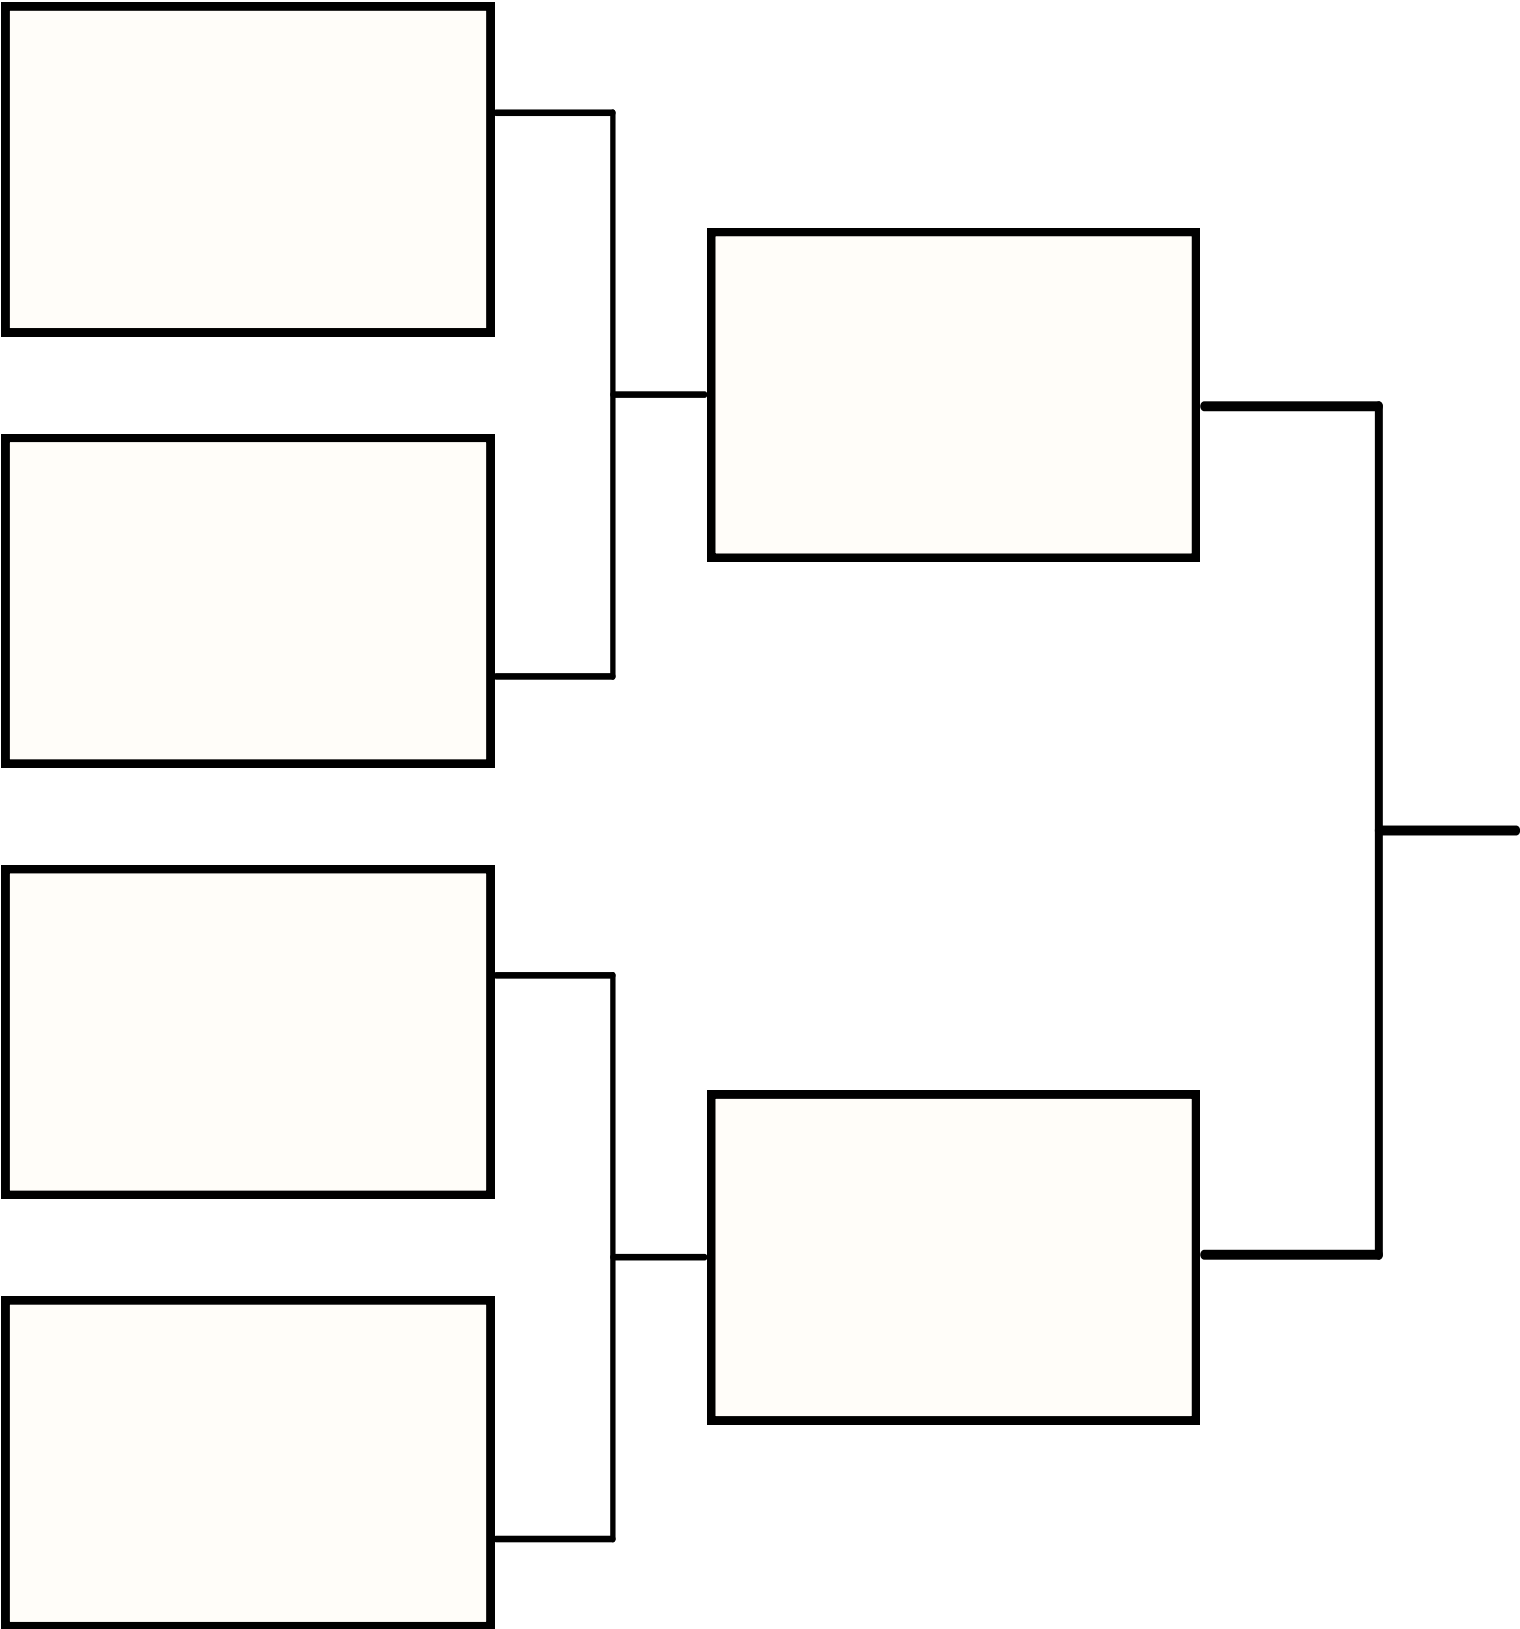

Keep updating your bracket throughout the tournament and see if you can predict the World Cup Champion!
